## HIGH PRESSURE & MONITORING TUBE LINE

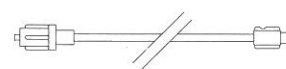

- ✓ Monitoring tubing with enduring pressure up to 500psi
- ✓ High pressure tubing with enduring pressure up to 1200psi
- ✓ Superior flexibility enables easy handling
- ✓ Wide selection of choices with multiple specification

Monitoring tube (500psi)  
Male-Female type

Monitoring tube (500psi)  
Male-Male type

High-pressure (1200psi)  
Male-Female type

| Length | Monitoring tube (M-F) | Monitoring tube (M-M) | High-pressure (M-F) |
|--------|-----------------------|-----------------------|---------------------|
| 15cm   | JSMT-MF-15            | JSMT-MM-15            | JSPT-RMF-15         |
| 30cm   | JSMT-MF-30            | JSMT-MM-30            | JSPT-RMF-30         |
| 61cm   | JSMT-MF-61            | JSMT-MM-61            | JSPT-RMF-61         |
| 91cm   | JSMT-MF-91            | JSMT-MM-91            | JSPT-RMF-91         |
| 122cm  | JSMT-MF-122           | JSMT-MM-122           | JSPT-RMF-122        |
| 152cm  | JSMT-MF-152           | JSMT-MM-152           | JSPT-RMF-152        |
| 183cm  | JSMT-MF-183           | JSMT-MM-183           | JSPT-RMF-183        |
| 213cm  | JSMT-MF-213           | JSMT-MM-213           |                     |
| 244cm  | JSMT-MF-244           | JSMT-MM-244           |                     |
